Timeline & Process

The timeline chart below outlines the budget, milestones, and procedure we will follow to complete this project. We follow a weekly process to ensure customer satisfaction and project efficiency; Our process begins with a discovery phase where we plan everything clearly, then a creative phase where all visual elements are designed and approved, then a technical phase where the visual elements are brought to life, and finally a review and testing phase.

Our carefully designed process is meant to ensure customer satisfaction throughout the entire project lifecycle, while maintaining a high level of efficiency.
