"She may not look like much, but she's got it where it counts, kid. I've made a lot of special modifications myself."

"Never tell me the odds."

Background

Han Solo is a Human smuggler from the manufacturing planet Corellia. On the run from Imperial officials, Solo became caught up with the Rebel Alliance, courtesy of Obi-Wan Kenobi, Luke Skywalker and Princess Leia Organa. He pilots the upgraded and customised Millennium Falcon, which he won in a game of Sabacc against Lando Calrissian.
